EXPERIENCE REAL GROWTH

A YOUTUBE

STRATEGY

THAT

ACTUALLY

WORKS

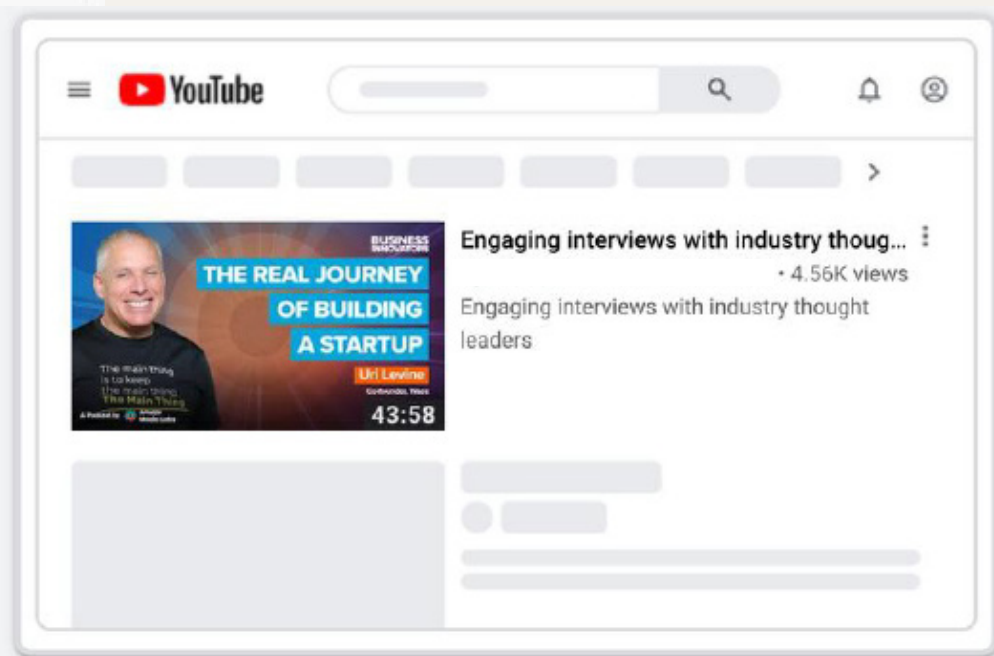

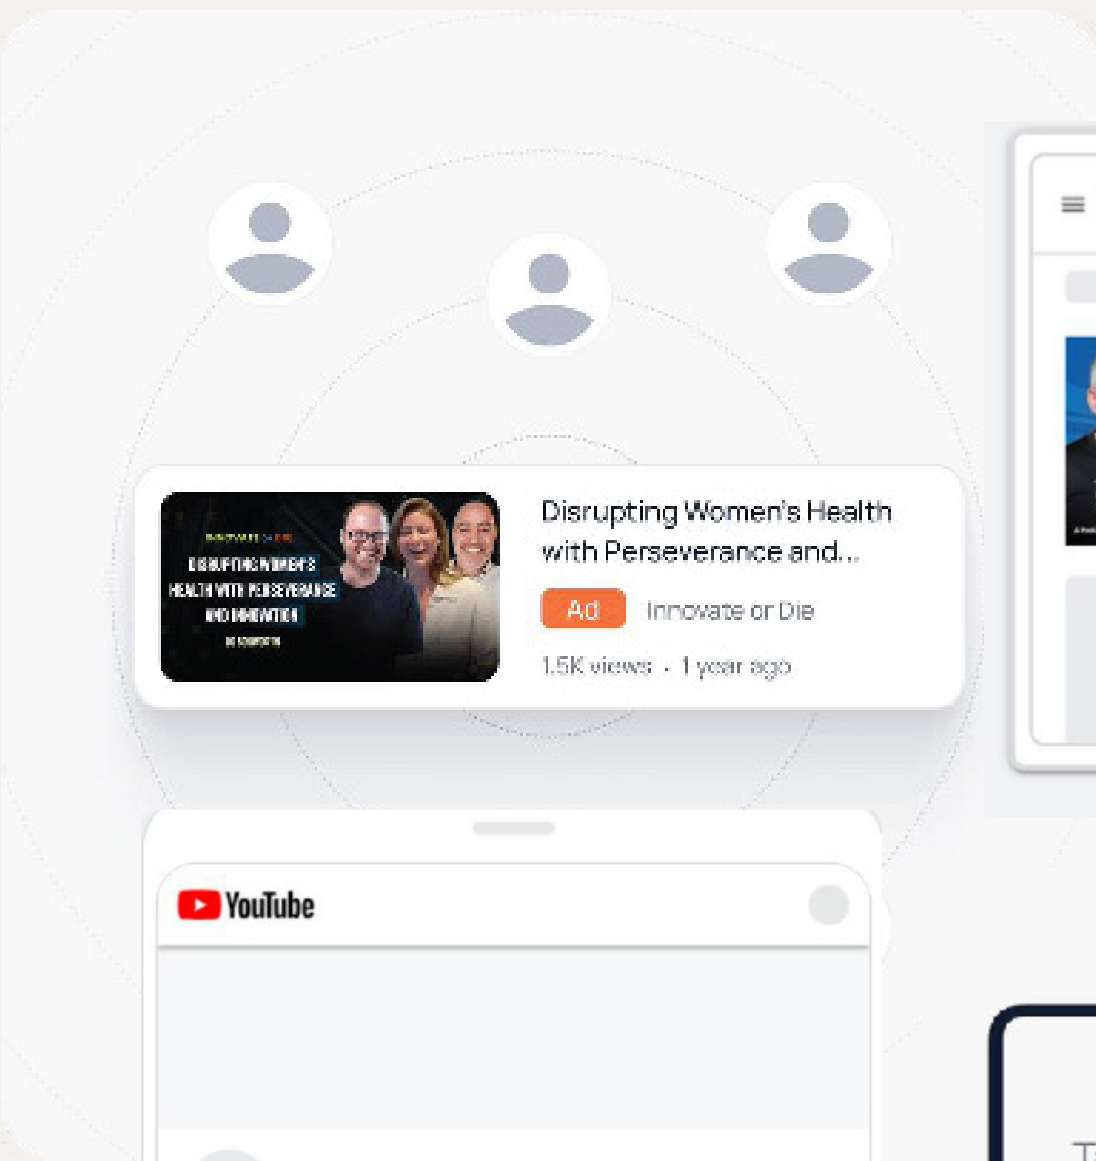

GROW YOUR CHANNEL

Our campaigns put you where your soon-to-be subscribers already are. We place your channel in front of people with interests relevant to you, your brand, and your content.

Our proprietary audience targeting system puts your channel in front of new, high-intent viewers by intelligently optimizing ad delivery in real time, and re-engaging users across the funnel to maximize engagement, watch time, and subscriber conversions. Our **Real Growth** strategy takes the headache out of YouTube growth with fully managed campaigns so you can focus on what you do best – creating great content.

01. INTELLIGENT TARGETING
02. HIGH-INTENT VIEWERS
03. INCREASED ENGAGEMENT
04. SOLUTIONS FOR EVERY BUDGET

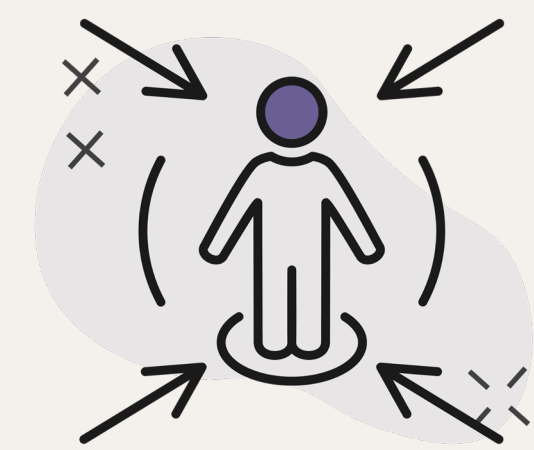

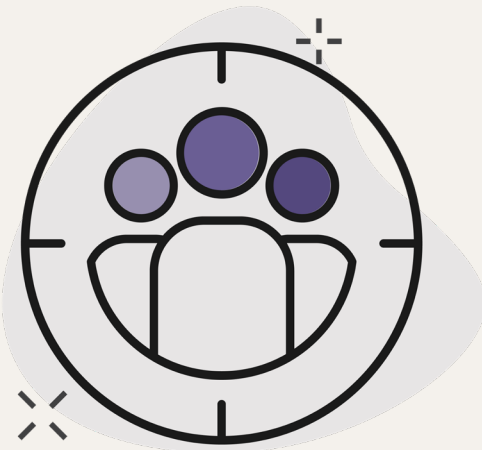

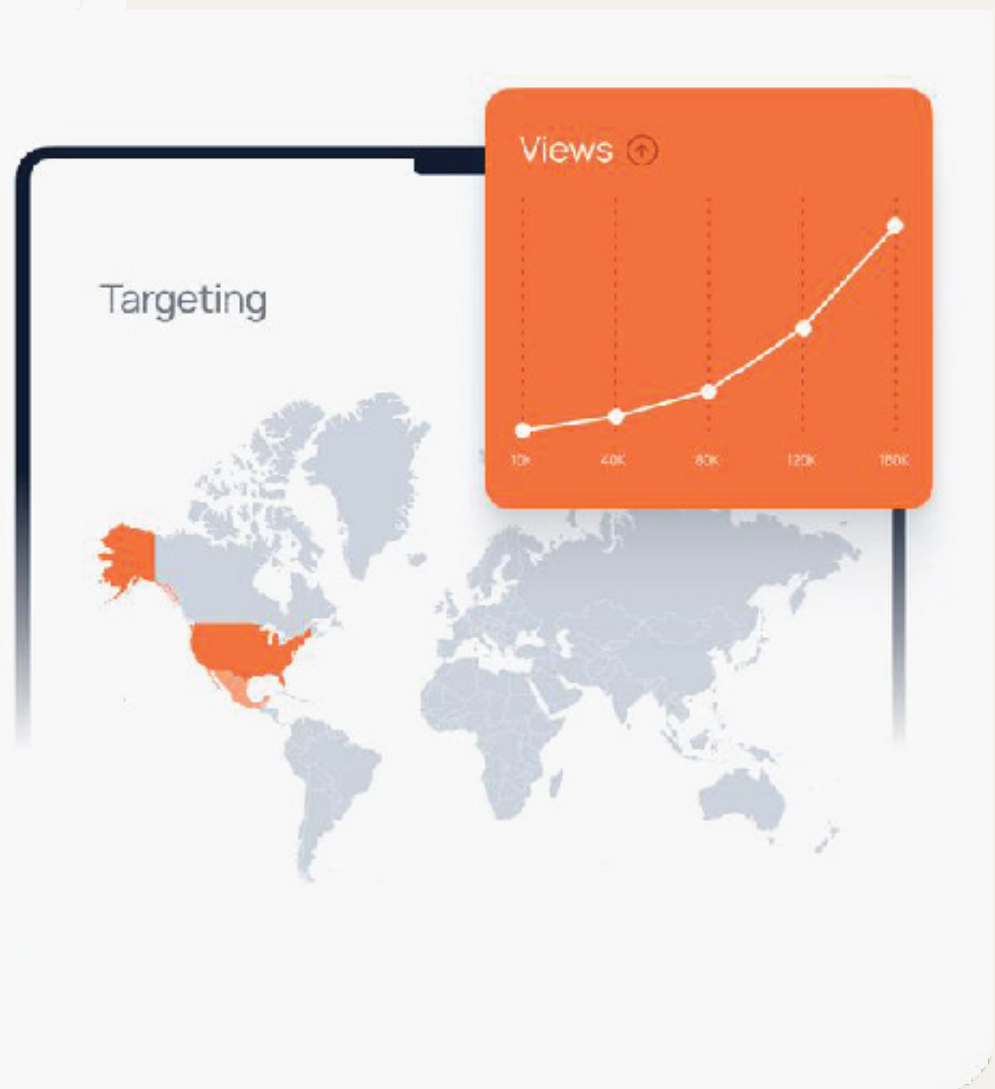

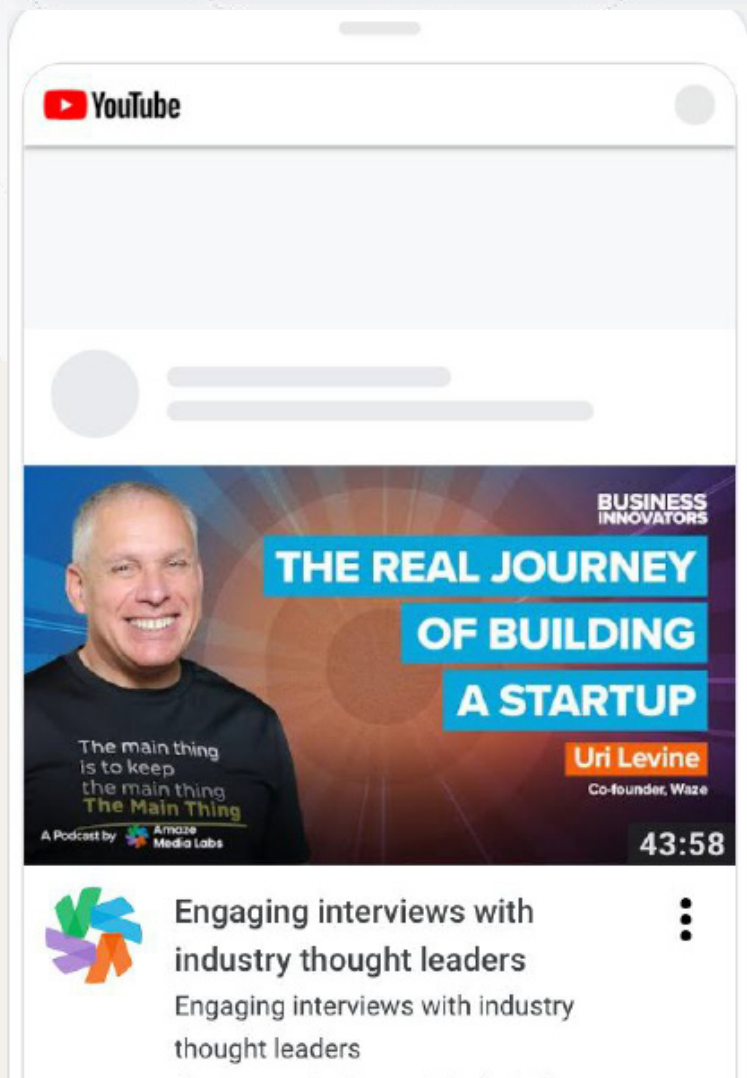

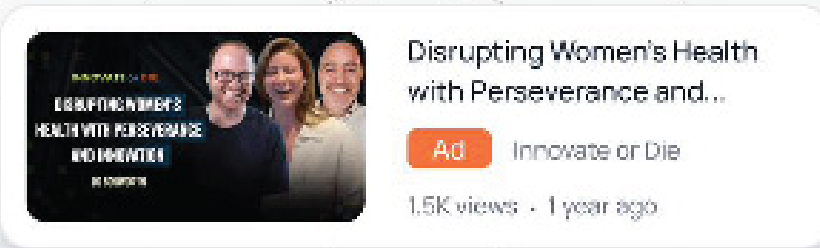

01. **HIGH-QUALITY, ENGAGED VIEWERS**
02. **CUSTOM AUDIENCE TARGETING**
03. **MULTI-LEVEL ENGAGEMENT & RETARGETING**
04. **GEOGRAPHICAL, STRATEGIC GROWTH**

We focus on attracting genuine, engaged viewers – not vanity metrics. Our system utilizes customized audience targeting versus the broad, template-based system of the standard ad agency. Our intelligent ad targeting and placement maximizes high-intent interactions with viewers who are more likely to engage, subscribe, and return. We also keep viewers engaged with strategic re-targeting efforts to increase

viewer conversion. Our system guides new viewers from cold lead to committed fan by guiding them through multiple engagement stages. Our customization options include the ability to choose specific countries for targeted engagement, ensuring relevant audience growth. This allows your channel to grow in key markets, rather than just increasing numbers globally.
